NORCAL ADULT TOURNAMENT REGULATIONS

5. **Mandatory Participation Waiver.**

At least annually, a Participation Waiver in the form determined by USTA NorCal, must be submitted to USTA NorCal in order for a player to participate in a USTA NorCal Adult or Family Tournament. 6. **First Match Times.**

- a. *Tournament Responsibility for Publicizing First Match Start Times.* The draw for each event must be published with start times to the USTA website no later than 10am three days before the start date of the tournament, except that a tournament may delay the publication of a doubles draw with start times until 10am two days before the start date of the tournament provided the tournament posts a notice about the delayed publication of the doubles draw on its home page. A waiver to this rule may be approved by prior written consent of the USTA NorCal staff.

NORCAL ADULT TOURNAMENT REGULATIONS

9. Limited Draw Tournaments.

Please refer to the [USTA Adult and Family Tournament, Ranking & Sanctioning Regulations](#) for player selection rules for limited draw tournaments.

When USTA Adult and Family Tournament, Ranking & Sanctioning Regulations permit the use of rankings, ratings, or first come first served method to select, the Tournament Director will determine the selection method. The USTA NorCal sections allows the use of wildcards in accordance with the USTA Adult and Family Tournament, Ranking & Sanctioning Regulations

a. Adult Open and Adult Age Group Divisions.

The Tournament Director will determine whether the:

- National Standings List;
 - World Tennis Number (WTN) rating
- will be used to select players. The method of selection must be published on the tournament website before player registration opens.

b. Adult NTRP Divisions.

The Tournament Director will determine the selection method among those available for the specific level:

Level 7:

- National Standings List (bottom-top);
- World Tennis Number (WTN) rating
- First come, first served

Level 6:

- National Standings List (top-bottom);
- World Tennis Number (WTN) rating
- First come, first served

Level 5 & 4:

- National Standings List (top-bottom);
- World Tennis Number (WTN) rating

The method of selection must be published on the tournament website before player registration opens.

10. Seeding.

a. Adult Open and Adult Age Group Divisions.

- When Seeding Coordinators Available.* USTA NorCal will appoint Seeding Coordinators to seed events in the Adult Open and Adult Age Group Divisions. When Seeding Coordinators are available, the Seeding Coordinators will use the All Factors Method of seeding as described in USTA Regulation II.A.4.b. Among the information that will be considered are head-to-head records, indirect wins and losses, national rankings, sectional rankings, World Tennis Number (WTN), and any additional information available. (See: [Adult Open and Age Group Tournament Seeding Rules and Coordinators](#)).

NORCAL ADULT TOURNAMENT REGULATIONS

- ii. *When Seeding Coordinators Not Designated or Available.* If a Seeding Coordinator in a Division is not designated or available, the Tournament Committee will seed the event using the most currently available National Standings List of the Division. Singles National Standings Lists will be used for singles events; Individual Doubles National Standings Lists will be used for doubles events; and Individual Mixed Doubles National Standings Lists will be used for mixed doubles.
- iii. *Special Instructions for Doubles and Mixed Doubles When Seeding Coordinators Not Available.* Teams will be seeded in the order of their combined ranking using the most recently published Individual Doubles or Individual Mixed Doubles National Standings List. For example, if Partner A holds the #1 ranking and Partner B holds the #10 ranking, the Team of A&B would have a combined ranking of 11.

Teams that have the same combined ranking shall be seeded in the order of the total number of ranking points held by each team.

If one partner does not have a ranking, for the purposes of calculating the combined ranking, the unranked player shall be assigned a rank that is equivalent to one lower than the lowest ranked player on the National Standings List. For example, if Partner C holds the #1 ranking, Partner D does not have a ranking, and the National Standings List has a total of 100 players on the list, Partner D is assigned a ranking of 101 and Team C&D have a combined ranking of 102.

b. Adult NTRP Divisions.

Please refer to the USTA Adult and Family Tournament, Ranking & Sanctioning Regulations for the seeding rules.

Rule 10.b. Comment. The USTA Adult and Family Tournament, Ranking & Sanctioning Regulations require Adult NTRP Divisions to be seeded as follows:
The Computerized List Method of seeding as described in USTA Regulation II.A.4.a. will be used to seed as follows:

- *Singles events.* Seeding will be done using the most recently published singles National Standings List of the Division.
- *Doubles events.* Seeding will be done by using the most recently published doubles National Standing List of the Division. Teams will be seeded in the order of their combined standings (For example, Player A holds the #1 standing and Player B holds the #10 standing. The Team of A&B would have the combined standing of 11). If there is a tie, the team with the player that has the highest doubles standing on the list must be seeded in the higher position. If a player has no standing, for the purpose of determining the combined standing, this player will be assigned a standing one lower than the last player on the doubles National Standing List.

c. Family Divisions.

Please refer to the USTA Adult and Family Tournament, Ranking & Sanctioning Regulations for the seeding rules.

NORCAL ADULT TOURNAMENT REGULATIONS

Rule 10.c. Comment. The USTA Adult and Family Tournament, Ranking & Sanctioning Regulations require Family Divisions to be seeded as follows:
The All Factors Method of seeding as described in USTA Regulation II.A.4.b. will be used to seed.

11. Coman Tiebreak Procedure May Be Used in Doubles.

The Coman Tiebreak Procedure may be used in any doubles match. A tournament using the Coman Tiebreak must announce it on the tournament home page before entries open.

12. Tournament Matches Must Be Played at the Tournament Site.

All tournament matches must be played at the tournament site with the exception of unfinished tournaments due to inclement weather or unforeseen circumstances approved by the Adult Tournaments department in accordance with Regulation 20.

13. Warm-up Period.

Warm-up time is limited to 5 minutes except for Age Group Division events, which shall allow a 10-minute warm-up. All practice serves must be taken during warm-up.

14. Entry Limitations on Players.

- a. NTRP Divisions. Players in NTRP Divisions are limited to entering one singles event, one doubles event, and one mixed doubles event. A Tournament Committee may further limit the number of events a player can enter if the limit is published to the tournament website by the time entries open. Tournament Committees will determine whether a player's entries may be in more than one division and will publish that information to the tournament website by the time entries open.
- b. Age Group and Family Divisions. A Tournament Committee may limit the number of events a player can enter if the limit is published to the tournament website by the time entries open. If no limit is published, there is no limit to the number of events that may be entered.
- c. Adult Open Divisions. Players in the Adult Open division may play singles, doubles and mixed doubles, if offered. A Tournament Committee may further limit the number of events a player can enter if the limit is published to the tournament website by the time entries open.

15. Matches Per Day.

The maximum matches per day as set forth in the *Friend at Court* shall be mandatory for all divisions.

16. Right of Refusal.

The Tournament Committee reserves the right to decline any entry either before or after the draws have been published. Some draws may be limited.

17. USTA Suspension Point System.

The USTA Suspension Point System shall apply to all USTA NorCal sanctioned tournaments. It is a system that levies suspension points for violations of the USTA

NORCAL ADULT TOURNAMENT REGULATIONS

Regulations. A copy of the USTA Suspension Point System can be found in the [*USTA Friend at Court*](#).

18. Penalty for Lateness.

Players are expected to check and comply with all scheduling done by the Tournament Committee. A player is deemed to have arrived when the player checks in at the place designated for checking in and is properly clothed, equipped, and ready to play. The lateness penalty clock starts at the scheduled match time **regardless of court availability**; this is a variation from the national rule which states that a player is late if they are not there when the match is called.

19. Concurrent Tournaments.

A player shall not be entered at the time entries close in two or more USTA sanctioned tournaments scheduled to take place at the same time, in whole or in part, unless each Tournament Committee involved understands the situation, concurs in writing, and each agrees to accommodate the player's schedule. The final decision rests with each tournament committee. If one tournament agrees to accept concurrent entries and accommodate the player's schedule but the concurrent tournament does not, the player may not enter both.

If entries for the overlapping tournaments close on different dates, approval must be received from all Tournament Committees no later than the entry closing date that occurs last.

Players who enter a tournament and play it to completion, may then enter another tournament with overlapping dates without permission.

If a player violates this concurrent tournament rule, the concurrent tournaments will not count toward the minimum tournament requirement to qualify for the Grand Prix.

20. Unfinished Tournaments.

A tournament will have 30 days past the last scheduled tournament date to complete a tournament due to inclement weather or unforeseen circumstances approved by the Adult Tournament department. However, if a draw affected by inclement weather has not begun by the completion of the sanctioned dates of the tournament, the draw will not be started after the final date.

21. Entry Fees.

Players are charged the following fees when accepted into a USTA NorCal tournament:

- the entry fee for each event;
- a one-time USTA NorCal fee ("Head Tax") that is included in the entry fee, but is paid to USTA NorCal per tournament (not per entry); and
- a Serve Tennis administrative fee ("Serve Tennis Fee") paid to the service provider for processing the online entry.

- a. *Processing Fee May Not be Charged by Tournament Committee to Accept Entries.*
Tournament Committees may not collect the Serve Tennis Fee when a player does not register online.

NORCAL ADULT TOURNAMENT REGULATIONS

- b. *Collection of Head Tax for Entries Not Paid for in Serve Tennis.* When a player competes in a tournament without making payment in the Serve Tennis system, within 30 days of the completion of the tournament, the organizer must pay the Head Tax to USTA NorCal. Failure to pay an outstanding Head Tax may result in the loss of future sanctioned tournaments and/or consideration of future sanctioned tournaments.
- c. *Nonpayment of Entry Fee.* The tournament may charge a collection fee for returned entry fee checks or nonpayment of outstanding fees at the tournament. Nonpayment of entry fees or cancellation of payment after the entry deadline will result in player suspension until such payment is received by the involved tournament.
- d. *Entry Fee Refunds*
 - i. *Refund Method and Deadline.* When a refund is required, the refund is required to be postmarked, or sent digitally through Serve Tennis or other electronic transfer of funds, no later than 30 days following the last day of the tournament.
 - ii. *Circumstances Requiring a Refund.* The following circumstances require a refund:
 - a. *Tournament Administrative Error.*
 - (1) *Error in Accepting Player into Tournament.* When a player is accepted due to a tournament administrative error, the entire fee paid must be refunded (entry fee, Head Tax, and Serve Tennis Fee).
 - (2) *Failure to Communicate a Change in Start Time or Omitted Time is Added.* When a Tournament Committee fails to communicate a change in a start time or an omitted start time is added, and the player's opponent is advanced by walkover,
 - The entire fee paid for the event (entry fee; Head Tax, if applicable; and Serve Tennis Fee) must be refunded if no match has been played in the tournament; or
 - 50% of the player's fee paid for the event (entry fee; Head Tax, if applicable; and Serve Tennis Fee) must be refunded if at least one match has been played in the tournament.
 - b. *Full Cancellation of Tournament or Event.* See Regulation 21.d.vi.
 - c. *Partial Cancellation of Tournament or Event.* See Regulation 21.d.vii.
 - d. *Withdrawal for an Approved Concurrent Entry into Another NorCal Tournament.*

When a player who has received the proper prior written approval to enter a concurrent tournament (see Regulation 19) withdraws to play in that current tournament, the fee paid, minus the Head Tax and Serve Tennis Fee, will be refunded.
 - e. *Player Who Declines to Play in an event at a different level.* When a player, by the deadline set by the Tournament Committee, declines the opportunity to play in an event at a higher level or lower age group when the event they registered for is canceled the declining player is entitled to a refund of the total fee paid at the time of selection, including the Head Tax (if applicable) and the Serve Tennis Fee. Players declining after the deadline are entitled to a refund of the fee paid, minus the Head Tax (if applicable) and Serve Tennis Fee. Players who have not been selected have not paid any fee and are not entitled to any refund.

NORCAL ADULT TOURNAMENT REGULATIONS

- iii. *No Refund for Withdrawals in Violation of Concurrent Tournament Rule.* When a player withdraws from a tournament in violation of the Concurrent Tournament Rule (Regulation 19) a player is not entitled to a refund, regardless of when the withdrawal occurs.
- iv. *Other Withdrawals Before Start of Tournament.* No refunds are required after the entry deadline.
- v. *Credits Not Permitted.* The Tournament Committee may not issue a credit for the entry fee in lieu of a refund.
- vi. *Fees for Refunding Not Permitted; Administrative Fee for Full Cancellation Permitted in Certain Circumstances.* The Tournament Committee will not charge any fee (such as a processing, service, or handling fee) for refunding the entry fee except an Administrative Fee as follows:
 - a. *Cancellation of Tournament.* When a tournament is canceled before a match is played due to inclement weather, or other reason approved by the USTA NorCal staff to protect the health and safety of the players, the tournament may withhold an Administrative Fee as follows:
 - \$2.00 per player for a Level 7 Tournament;
 - \$3.50 per player for a Level 4, 5 and 6 Tournament;When making the refund, the player will receive the fee paid for all events selected, net of the Administrative Fee, the Head Tax, and the Serve Tennis Fee.
 - b. *Cancellation of Event.* When an event in a tournament (but not all events in the tournament) is canceled before a match is played due to inclement weather, or other reason approved by the USTA NorCal staff to protect the health and safety of the players, the tournament may withhold an Administrative Fee as follows:
 - \$1.00 per player for a Level 7 Tournament;
 - \$1.50 per player for a Level 4, 5 and 6 Tournament;When making the refund, the player will receive the fee paid for the event, net of the Administrative Fee, the Head Tax (if applicable), and the Serve Tennis Fee. As soon as possible after the completion of the tournament, and no later than 30 days after the last day of the tournament, the Tournament Committee will provide a report to USTA NorCal of all Head Taxes refunded. USTA NorCal will reimburse the organizer for this expense within 30 days of receiving the report. Failure to submit this report absolves USTA NorCal from the requirement to reimburse the refunded Head Taxes.
- vii. *Partial Cancellation Policy.* The refund will be determined by the number of matches played by each player in each event.
 - a. *Level 7 Tournaments.* If only one match is played, a player is entitled to a 50% refund that is calculated after deducting from the total fee paid for the event, the Head Tax and the Serve Tennis Fee. If a player(s) completes two or more matches in the event, no refund is required.

e. Nonpayment of Entry Fee. The tournament may charge a collection fee for returned entry fee checks or nonpayment of outstanding fees. Nonpayment of entry fees or cancellation of payment after the entry deadline will result in player suspension until such payment is received by the tournament.

22. Restriction on Replacing Withdrawing Players with Byes.

A Referee shall not make changes in the draw as described in USTA Regulation II.C.1.b.iii. and iv. When a player who is not seeded withdraws from a tournament and there are no alternates awaiting entry, a Referee may not replace the withdrawing player with a Bye. The Referee is required to leave the unseeded withdrawing player in the draw and advance the opponent by means of a withdrawal or default, whichever describes the circumstances of the withdrawal.

23. Player Attire.

Appropriate tennis attire is required for all matches. Rules of the host club will govern. As stated in the *Friend at Court*, any dress code must be published to the tournament website prior to the time entries open.

24. Certified Officials.

A self-rating grievance can be filed at any time, but only grievances filed up on or before June 30 may impact the Grand Prix for that year. A member of the NorCal staff may file a self-rating grievance at any time with no restriction; staff generated grievances after June 30 may affect the Grand Prix after approval of the Adult Tournament Committee.

There is a \$50.00 fee for filing each Self Rate Grievance. This fee will be returned if the grievance is upheld. The fee should be submitted by check made payable to USTA NorCal, at the time the grievance is filed. Failure to comply with these instructions may result in grievance being dismissed.

iii. *Procedure for Filing Grievance.* Email your grievance to jbroda-schunck@norcal.usta.com and concurrently mail the filing fee to USTA NorCal, 1920 North Loop Road, Alameda, 94502.
