**5. Marketing Strategy Overview and Website Updates - Essie Elsakkar**

Mr. Elsakkar showed a PowerPoint presentation of a strategic "Digital First" transformation aimed at driving player growth, frequency of play, and retention to support its "35 by 35" initiative. To achieve this, the organization has overhauled its digital ecosystem—including a website refresh, redesigned uniform email campaigns, and video-first social media content that led to surges in followers and link clicks compared to 2025. Backed by baseline analytics showing over 256,000 site sessions primarily concentrated in cities like San Jose and San Francisco, USTA NorCal is entering its next phase. This upcoming phase focuses on executing advanced SEO/AEO strategies, deploying geo-targeted court mapping, rolling out updated NorCal shop apparel, and scaling B2B partnerships across the health, fitness, and community sectors to expand regional resources and member value.

**6. Tennis Venue and Services Overview - Cherryl Silva**

Ms. Silva highlighted the national growth of tennis, which reached 27.3 million U.S. players in 2025. To support this expanding player base, the USTA's Tennis Venue Services (TVS) program focuses on improving local

infrastructure by offering facilities technical assistance, business consulting, advocacy support, and grant funding. In Northern California, the majority of courts are located at schools and public parks, though a recent assessment identified 320 unplayable courts across the region requiring attention. To address infrastructure needs nationwide, the TVS program expanded its funding significantly in 2025, distributing over \$16 million in grants—an eightfold increase from the previous year. Locally, NorCal secured \$278,000 in national grant awards in 2025 and currently manages 23 active facility projects, aiming to align continued court modernization with the rising rates of tennis participation.

## **7. Consent Calendar**

President Costamagna directed the board's attention to the Consent Calendar that was distributed with the meeting packet and noted that there is one recommendation being made by the Adult Tournament Committee involving adult tournament awards criteria.

President Costamagna explained that any director may unilaterally request that an item be removed from the Consent Calendar for individual consideration apart from the Consent Calendar. She also noted that simple questions, clarifications, or short amounts of dialogue relative to an item on the Consent Calendar may be discussed after the motion to approve the Consent Calendar.

President Costamagna asked if any director intended to pull any recommendation. There being no interest in doing so, a motion to adopt the Consent Calendar was duly made by Mr. Levy and seconded by Ms. Barnes. Following discussion, the following motion was **approved** by a vote of 12 in favor, none opposed, and no abstentions.

**RESOLVED:** That the items listed on the Consent Calendar attached as Exhibit B are hereby approved.

## **8. Action Item: Adult Tournament Committee - Referee/Tournament Director**

The Adult Tournament Committee proposed allowing the dual role for a tournament director and referee at small Level 6 Adult Tournaments, with the stipulation that they are a USTA Certified Referee. This will allow both smaller organizations and those overwhelmed with other programs to host tournaments, even if they are smaller, by alleviating the financial and/or time burdens. The stipulations are that: (1) the tournament director or affiliated party must provide proof of certification to both section staff and have it accessible on site; and (2) the tournament director or affiliated party must be willing and available to assume the responsibility of a Referee when needed.

Following discussion, the following motion was duly made by Ms. Klein seconded by Ms. Beisler and **approved** by a vote of 12 in favor, none opposed and no abstentions.

**RESOLVED:** That effective January 1, 2027, Regulation 24 of the USTA NorCal Adult Tournament Rules be amended as set forth in the stipulations above.

## **9. Action Item: Additional Funding for 2026 New Captains Promotion**

180 new captains registered for the promotion after this date in 2025. If that trend holds, NorCal can expect at least 270 new captains in 2026. The current budgeted amount for this promotion will not cover all of these additional new captains. New captains are needed to help grow adult leagues and as of April 16, 2026, 136 captains have signed up for the New Captain Promotion. 102 of last year's and this program is a promotional tool to recognize new captains and to enhance their experience. NorCal recognizes the new captains and their mentors with a ¼ zip long sleeve pullover at the end of the season.

Following discussion, the following motion was duly made by Mr. Levy, seconded by Ms. Klein and **approved** by a vote of 12 in favor, none opposed, and no abstentions.

**RESOLVED:** That an additional \$3,000 be added to the 2026 USTA NorCal Budget to continue the New Captain Promotion Program through the end of the 2026 season, which promotion provides a new captain and his/her mentor a "USTA NorCal Captain" ¼ zip long sleeve pullover at the end of the season.

## **10. Action Item: Adult 70 Advancement Opportunity**

The number of players competing in NorCal 70+ leagues is growing. Supporting the advancement of players to an event at which players can compete against players from other Sections may help encourage the NorCal 70+ players to play in the Adult 70 League. Players have expressed interest in playing this type of intersectional event. The Multi State Invitational in Oklahoma is currently the only known multi-state event. Offering a \$450 stipend per team to help offset the costs of the players attending the invitational and is consistent with what NorCal is doing with the other advancing teams.

Following discussion, the following motion was duly made by Mr. Levy, seconded by Ms. Klein and **approved** by a vote of 12 in favor, none opposed, and no abstentions.

**RESOLVED:** That the six winners of the 2025 Adult 70 Section Team Champions each receive a \$450 per team stipend to attend the 70 & Over Multi State Invitational in Oklahoma, provided that the team compete in such competition and request the stipend.

**RESOLVED FURTHER:** That \$2,700 be added to the 2026 USTA NorCal Budget for such stipends.

#### **11. Action Item: Community Programs - High School Team Grant**

Following discussion, the following motion was duly made by Ms. Barnes seconded by Ms. Sloan and **approved** by a vote of 12 in favor, none opposed, and no abstentions.

The USTA NorCal High School Team Grants are designed to increase access and equity in tennis by funding high school programs, with priority given to Title I schools demonstrating financial need. These grants help cover essential team expenses such as tennis balls, equipment, windscreens, and uniforms. For the 2026 budget, an initial \$10,000 was allocated, but this amount was entirely exhausted during Cycle 1 for spring boys' teams, leaving several deserving applicants on hold. Consequently, the committee approved a resolution in February to secure additional funding to support those waitlisted Cycle 1 applicants and to cover the anticipated demand for the upcoming Cycle 2 grants, which are awarded to fall girls' teams.

**RESOLVED:** That, effective immediately, up to \$15,000 to be added to the 2026 USTA NorCal Budget for additional High School Tennis Team Grants.

#### **12. Action Item: Parks & Recreation Committee - National Parks and Recreation Month Celebration**

July is National Parks and Recreation Month and USTA NorCal encourages park and recreation agencies to apply for Party in a Box items and a food budget to host an approved celebratory tennis event.

Following discussion, the following motion was duly made by Ms. Airola-Murveit, seconded by Ms. Sheu and **approved** by a vote of 12 in favor, none opposed, and no abstentions.

**RESOLVED:** That, effective immediately, USTA NorCal shall create a National Parks and Recreation Month Celebration "Party in a Box", which will include Stickers, Wrist/head bands, string bags and \$300 stipend for snacks/food/BBQ

**RESOLVED FURTHER:** The Party in a Box packages and food stipends will be given to the first 20 parks and recreation agencies that sign up and meet criteria to be established by staff, which includes hosting one of the approved events.

**RESOLVED FURTHER:** That, effective immediately, up to \$10,000 to be added to the 2026 budget for USTA for National Parks and Recreations Month for food and give away items.

#### **13. Delegated Authority Decision Report**

President Costamagna directed the Board's attention to the report of decisions made by committees that were within the clearly defined scope of authority that the Board has delegated to the committees in the applicable committee charters, a copy of which was distributed with the meeting packet. She noted that the report contains the following decisions:

- Consideration of 7 grievances filed with the Adult Leagues Grievance Committee
- Consideration of 1 grievance filed with the Adult Leagues Grievance Appeals Committee
- Consideration of 98 NTRP Self-Rate appeals filed with the NTRP Self-Rate Appeals Committee

President Costamagna explained that if the board disagrees with any action, it may consider taking further action as it deems appropriate. Following the presentation of the report, the directors had neither questions, comments, nor objections to the actions taken by the committees.

#### **14. New & Returning Organization Members**

Mr. Resnick-Dunn presented the report of two new and three returning Organization Members since the last time the board met on April 15, 2025, so that the board may fulfill its obligation to review such report pursuant to USTA NorCal Bylaw III.D.

#### **15. Treasurer's Report**

Mr. Resnick-Dunn reported that the financial statements for April 2026 were distributed with the meeting packet. He discussed the results to-date and projections for the year, including projected surplus/deficits and the

significant categories of variance to the adjusted Budget. The budget will be amended to include the four action items approved tonight.

President Costamagna noted an active period for the organization, including the recent rollout of Cornerstone technology to sectional boards. She announced a call to action for board members to serve as the "volunteer face" of the organization by participating beyond standard meetings, which includes joining committees, attending high-profile events, and signing up for community activities via a new Google sheet managed by Ms. Negri. She expressed gratitude for the board's enthusiasm at the Annual Meeting and encouraged all members to brainstorm ways to innovate tennis demographically, geographically, technologically, and from a budgetary perspective. She announced that SafePlay requirements now apply to parents of juniors, the state of collegiate tennis, a new Presidents' resource hub, and upcoming dialogues with the Volunteer Management Council.

President Costamagna encouraged the directors to review her full report in greater detail.

#### **17. Executive Director's Report**

Ms. Verhoeven announced that May is National Tennis Month and Ms. Kamni Del Barba advocated successfully to obtain a proclamation of such in the California State Legislature. She also provided details about the upcoming SheRallies event on May 30 at the Silverado Country Club where Megan Rose and Cici Bellas will speak..

Ms. Verhoeven asked the directors to review her written report for other important information, including important events happening during the next several months.

#### **18. Delegate's Report**

Ms. Sloan highlighted the following items from her report:

- USTA Safe Play: Ms. Sloan stated that Safe Play remains USTA's top priority. No coach may receive the Development Coach Badge, any certification, or the majority of coaching badges without being Safe Play Approved.
- Serve Tennis and TennisLink: Ms Sloan reported that issues identified with the Serve Tennis system would be shared with Mr. Michael Hughes in the USTA national office.

**19. Open Discussion** - Mr. Damon and Ms. Costamagna announced a new task force to explore ways to increase league and tournament opportunities for 5.0 players in NorCal. The goal is to encourage young players to return to the courts and reconnect with USTA NorCal.

#### **20. Adjournment**

Following the announcement that the next meeting will be in person online on Wednesday, June 17, 2026, with no objection, the meeting was adjourned at 8:53pm.

The tournaments to be considered each year must take place between September 1 of the prior year and August 31 (except that in 2026 only, the tournaments to be considered must take place between October 1, 2025 and August 31, 2026).

**RESOLVED FURTHER:** That effective immediately, the criteria for selecting the award winners will be amended to eliminate minimum evaluation responses and consumer feedback received at Grand Prix, and allow for more than one tournament to win in a category, as follows:

\*\*\* *The Adult Tournament Committee reserves the right to not select, or select more than one recipient in any given category in any given year.*

**Rationale:** This process criteria applies to the following awards:

Adult Tournament Director of the Year  
Outstanding NTRP Tournament of the Year  
Outstanding Age Group Tournament of the Year  
Outstanding Open Tournament of the Year  
Outstanding Family Tournament of the Year  
Outstanding New Tournament  
Outstanding 1-Day Tournament of the Year

Because these awards are to be presented during the annual Section Connection, it has been decided to change the eligibility time frame from the calendar year to September 1 to August 31.

There continues to be a low response rate from the player survey/evaluation. The Committee is therefore recommending that, while participation and response rate should be considered during the decision, it should not exclude tournaments based on this criteria from receiving an award. This will also allow the Committee to consider participation at the tournament. Additionally, the consideration of the player feedback at Grand Prix has been removed as no such survey is being conducted.

The option to select more than one recipient will allow the Committee to select two tournaments that are very close in terms of survey results. This would help recognize both organizations that are doing an outstanding Job.
