USTA NORTHERN CALIFORNIA

Minutes of the USTA NorCal Junior Council Meeting
Wednesday, June 4, 2025

NOTE: *The resolutions in these minutes were approved by the USTA NorCal Board on June 18, 2025. These minutes were approved by Junior Council on June 16, 2025.*

Andrea Norman, chair of the Junior Council, called the meeting to order at 7:05 pm and roll call was conducted. The meeting was held by Google Meet video conference.

Committee Members Present: Andrea Norman (chair), Suzy Cossette, Luis Reis, Caroline Sheu

Committee Members Absent: Matt Brunner, Cesar de Oliveira, Jason Ho

USTA NorCal Staff Present: Tommy Tu, Junior Competition & Tournaments Manager; Lani-Rae Green, Player Development Specialist.

1. **Chair Report.**

- **March 2025 Junior Council Recommendations:** Andrea reported that the Board approved the Council's proposal to add competitors in the Junor Circuit Events to the eligible recipients of Tournament Assistance Grants.
- **Bill Talbert Award Recipients:** In closed session, Andrea announced the players who were under consideration to become NorCal's nominees for the 2025 Bill Talbert Sportsmanship Award. One boy and one girl will be selected when the Council next meets on June 16, 2025, at 7:00 pm for the sole purpose of selecting the nominees.

2. **Staff Report.**

- **Maze Cup Results:** Tommy announced that the NorCal won the 50th Annual Maze Cup, held on May 2-4 at the Berkeley Tennis Club by the dominant score of 14-6. Nick Fustar and Alexandra Porta coached the NorCal team comprised of: Gus Grumet, Winston Wooin Lee, Yashwin Krishnakumar, Magnus Weng, Joseph Nau, Andra Braicu, Bella Jacutin-Mariona, Sephi Sheng, Aishi Bisht, and Monika Tekic. Magnus Weng was selected as the NorCal sportsmanship award winner
- **Tournament Assistance Grant (TAG) Update:** Tommy reported that information on TAG, including the expansion to Junior Circuits, has been included in Monthly newsletters to all membership since approved by the Board in April. All tournament home pages home pages (Circuits and Level 3-7) have been updated to explain the program. A total of 18 approved players are participating. Additional applications are being processed and it is expected that number will increase by next month.
- **Level 6 Ratings Round Robin Participation Report:** Tommy reported that the pilot to list all age divisions for entry into Level 6 Ratings Round Robin entries was successful. While the draws are ultimately only in the 18s division and players are flighted by WTN, only listing the 18s division wasn't making this opportunity available to the 12-16 divisions when a tournament search was done. Information on this new strategy is posted to the top of the tournament websites, although families not reading the information before entry led to reported confusion by several entrants. The entry number comparisons between March 2025 when only 1the 18s was offered vs. May 2025 2hen all divisions are offered shows the growth:

Tourney Date	Div	Players in Draw	Entries if Cancelled
Mar 8-9, 2025	B18	0	5
Manteca	G18	0	3
Mar 8-9, 2025	B18	20	
Larkspur	G18	8	
May 3-4, 2025	B18	32	
San Jose	G18	28	
May 3-4, 2025	B18	68	
Walnut Creek	G18	16	

- **Other Events.** Tommy announced other upcoming events to be run by NorCal:
  June 28-19: Level 5 West Quest at St Mary's College - BG16 & 14
  July 20: Gen Gap at Moraga Country Club (top juniors play with and against top adult players)
  August 8-10: Level 4 Intersectional at Diamond Hills BG16 (NorCal, Hawaii Pacific, Intermountain, Southwest, Pacific Northwest)
  September 12-14: Level 2 Intersectional at Diamond Hills ("Pacific Cup") - BG16 (SocCal, NorCal, Pacific Northwest and Intermountain)
  October 26: Herb Cup Invitational at Moraga Country Club - Top eight BG12-18 doubles players

- **Fall Regional Camp.** The USTA recently advised NorCal that there will be a Fall USTA Sectional Camp in 2025, scheduled in addition to the USTA Regional Camp (typically hosted with SoCal, Southwest, Hawaii, and PNW). After reviewing the NorCal and National tournament schedules, it was decided that the Fall Sectional Camp will be on October 18-19 in NorCal, with the Regional Camp tentatively being hosted in SoCal on October 24-26. This camp is for top players in birth years 2013-2014.

3. **Approval of Minutes.** Council considered approval of the minutes of the meeting held March 12, 2025. The following motion was duly made by Suzy Cossette, seconded by Caroline Sheu, and ***approved*** by a vote of 4 in favor, none opposed, and no abstentions:

> **RESOLVED:** That the minutes of the Junior Council meeting held March 12, 2025, be approved as corrected.

4. Options for Level 6 Tournaments Unable to Secure Referee. At a recent in-person meeting of Section Player Development Managers, NorCal staff learned of a program that has been working successfully in the Southwest Section - On-Call Referees. Southwest permits an On-Call Referee at Levels 5, 6 and 7, provided the Tournament Director has been trained in the Dual Role of Director and Referee, and provided efforts have been made to secure a Referee at least 6 weeks in advance of the tournament. Southwest does not have the same officials requirements as NorCal, making a word-for-word adoption of what it is doing not feasible in NorCal; however, two options to assist L6 Tournaments in the face of officials shortages were developed based on what Southwest is doing:

- Option 1: Certified Official (who is not Certified as a Referee) Fulfills Role as Referee
- Option 2: On-Call Referee at Level 6 Tournaments

Council members discussed both options and were in support of pursuing implementation of one or both options after consulting with the Officials Committee. The following straw vote was taken, ***approving*** the resolution by a vote of 4 in favor, none opposed, and no abstentions. Andrea and Luis

> **STRAW VOTE:** USTA NorCal staff and Junior Council chair are authorized to consult with the Officials Committee to develop for proposal options for Level 6 Tournament Directors in the event a Referee is not available.

5. Amendment to Certified Officials Requirements. While preparing the proposal related to Level 6 Referees, it came to Andrea's attention that some clarity might be needed with respect to Junior Tournament Regulation 30 that sets the requirements for the numbers of the Officials at Tournaments. The regulation is ambiguous as to whether every tournament must have a Referee, and the table of required officials doesn't give an explanation as to whether the Referee is fulfilling one of the "Certified Officials" requirements. Additionally, the USTA Regulations do not require a Tournament Director to be on site, but given that at Level 7 the Tournament Director can serve in the Dual Role as Referee, it was decided Regulation 30 should clarify this so there is no room for a misinterpretation regarding the requirement to be on-site

Following discussion, the following motion was duly made by Andrea Norman, seconded by Luis Reis, and ***approved*** by a vote of 4 in favor, none opposed, and no abstentions:

> **RESOLVED:** That effective immediately, Regulation 30 of the USTA NorCal Junior Tournament Regulations is amended to add clarity to the minimum officials requirements. (Underlined language is proposed to be added; stricken-through language is proposed to be deleted.)

30. Certified Officials at Tournaments.

A. Level 6, 5, 4, and 3 Tournaments. ~~The~~ Each Level 6, 5, 4 and 3 Tournament must have a USTA-certified Referee ~~must be a referee certified by the USTA~~. A Site Referee is required at each satellite site. The Site Referee must be a USTA Certified Official, but certification as a referee is not required. ~~A minimum of two officials are required for each eight (8) courts in play, one of whom must be a USTA Certified Official; the remaining officials may be a USTA Certified Official or a USTA NorCal Approved Court Monitor – see Table 4~~. The total number of officials required at each site are based on the

number of tournament courts in use, and are as set forth in Table 4. Any waiver to these rules is subject to the prior written approval of the USTA NorCal Junior Staff.

Table 4: Minimum Officials Required for L6, L5, L4, and L3 Tournaments	
Number of Courts	**Minimum Requirement**
1 to 4	1 Total: 1 Certified Official*
5 to 8	2 Total: 1 Certified Official* + 1 Additional Certified Official or Approved Court Monitor
9 to 12	3 Total: 2 Certified Officials* + 1 Additional Certified Official or Approved Court Monitor
13 to 16	4 Total: 2 Certified Officials* + 2 Additional Certified Officials or Approved Court Monitors
17 to 20	5 Total: 3 Certified Officials* + 2 Additional Certified Officials or Approved Court Monitors
21 to 24	6 Total: 3 Certified Officials* + 3 Additional Certified Officials or Approved Court Monitors
25 to 28	7 Total: 4 Certified Officials* + 3 Additional Certified Officials or Approved Court Monitors
29 to 32	8 Total: 4 Certified Officials* + 4 Additional Certified Officials or Approved Court Monitors
* At the primary site, one of the Certified Officials is the USTA-certified Referee; at a satellite site, one of the Certified Officials is the Site Referee.	

B. Level 7 Tournaments.

- USTA Certified Officials are not required at Level 7 Tournaments, however, a person acting in the role of Referee is required.
- The Tournament Director may also serve as Referee, *provided that* the training required by the USTA Officiating Department to serve the dual role of Tournament Director/Referee, has been completed, and *provided that* the Tournament Director/Referee must be present during play. When a person serves as both Tournament Director and Referee, that person will assume all of the responsibilities of Referee, *except* that the person must not be a member of the Tournament Appeals Committee.
- Tournament Director is required to be on site at all hours of tournament play.
- When a person other than the Tournament Director is serving as Referee, the person must have fulfilled the training required by the USTA Officiating Department.
- When a satellite site is used, a person must serve in the role of ~~Deputy~~ Site Referee at the satellite site, and that person must have fulfilled the training required by the USTA Officiating Department.
- Level 7 Tournaments must have met the minimum number of officials required in Table 4, with the Referee fulfilling one of the Certified Official requirements, and all other persons may be Approved Court Monitors.

Regulation 30.B. Comment. A person who is a USTA-Certified Referee has met the training required by the USTA Officiating Department. A person who has completed the training to serve in the dual role of Tournament Director/Referee, regardless of whether that person is serving as Tournament Director or not, has met the training required by the USTA Officiating Department.

6. Doubles-Only Tournament Draw Formats. Andrea reminded the Council that an outstanding issue from the last meeting was consideration of options for Level 3, 4 and 5 Doubles-Only Tournaments when less than the draw limit is reached. The Council was presented with three options for consideration, the first two of which were discussed at the last meeting:

- Leave formats as is, but remove the match guarantees;
- Place limits on the acceptance of entries when fewer than the draw limit enter; and
- Change the draw format to a First Match Loser Consolation, which typically gives teams 2 matches and allows for all teams entered to be selected (up to the draw limit).

Council was also presented with data on the numbers of entries from the last 12 months of Level 3, 4 and 5 Doubles-Only Tournaments.

Following discussion, the following motion was duly made by Luis Reis, seconded by Suzy Cossette, and ***approved*** by a vote of 4 in favor, none opposed, and no abstentions:

RESOLVED: That, effective July 1, 2025, USTA NorCal Junior Tournament Regulations 8.C.ii.c. and d., 8.D.ii.b. and f., and 8.E.iii.b. are hereby amended as set forth below to change the draw format for Level 3, Level 4, and Level 5 Doubles-Only Tournaments, remove match guarantees, and change match formats (underlined language is proposed to be added; stricken-through language is proposed to be deleted):

7. **Approval of 2026 Tournament Calendar.** The members continued its review from the prior meeting of the proposed 2026 Tournament Calendar. Andrea reminded the Council that annually, one of the key responsibilities of Junior Council is to propose a calendar of tournaments to be sanctioned for the following year. The calendar must be put in place in advance of the opening of sanctioning which is projected to start on or about July 1. Level 7s and 6s can be held any time of year, *except* the L6 Ratings Round Robins that have historically only been held on designated Level-Based Tournament weekends. The numbers of other tournaments (Level 3s, 4s, and 5s, and one L2 with other Sections) have been limited by the USTA and need to be place on the calendar to ensure an organized schedule, and one that meets the needs of the players. Historically, such considerations as:

- Traditional school year;
- Weather;
- Dates of the USTA National Junior Tournaments;
- Requirement that Open tournaments must be on consecutive days (no 2-weekend tournaments);
- Decision that tournaments will not be played on school days;
- Court requirements of the various tournaments;
- Periodization; and
- Distribution of tournaments by Level throughout calendar year.

have all been considerations when planning the calendar.

Council reviewed the draft calendar that was substantively similar to 2025, with notations to the members as to recommended adjustments. Andrea noted the adjustments as follows:

- **Week 32:** Battle of the Sections is held one week later than 2025 - August 1-5.
- **Week 32-33:** USTA National Championships are held one week earlier than 2025 - August 7-16. The Intersectional Level 4 has also been moved one week later - this date collaboratively chosen by the Sections hosting the events.
- **Week 36:** USTA National Doubles Championship is held one week later than 2025 - August 28-30.
- **Weeks 43, 44, 45 and 46.** The attached schedule shows a recommended re-shuffling of the Octobetr Excellence and the other tournaments impacted by this move as follows:
  - the October Excellence has been shifted a week earlier so that it does not overlap with Section Connection where there is a likelihood a seminar of interest to higher level players will be scheduled (last year it conflicted with an fantastic college recruiting session). It also moves the event further away from the CIF girls events.
  - The Herb Cup and a Team NorCal event have been moved one week earlier. Herb Cup historically has a Halloween theme. This date will continue to allow for that theme for the event.
  - The L5 Doubles-Only Championship has been moved from week 43.

Following discussion, the following motion was duly made by Suzy Cossette, seconded Caroline Sheu, and ***approved*** by a vote of 4 in favor, none opposed, and np abstentions:

RESOLVED: That the 2026 Junior Tournament Calendar be approved as set forth in **Exhibit A**.

8. **Tournament Entry Fee Increase.** NorCal last approved an entry fee increase in June 2024 that took effect with the 2025 tournaments. At that time a 10% increase was approved for all Levels. Staff continues to receive feedback regarding the increasing cost of running tournaments. This includes costs associated with court rentals and other facility fees, officials, balls, awards, and insurance. At Level 3 and 4, tournaments are also required to provided player gifts, which costs are also increasing.

Council considered a proposal to increase fees for Level 6-7 tournaments by 5%, and Level 3-5 tournaments by 7.5%. Following discussion, which included the availability of TAG Grants for players who struggle to pay fees, the following motion was duly made by Luis Reis, seconded by Caroline Sheu, and ***approved*** by a vote of 4 in favor, none opposed, and no abstention:

RESOLVED: That, effective immediately, the entry fees for junior tournaments which are set forth in USTA NorCal Junior Tournament Regulation 6.E. shall be increased as set forth below (underlined language is proposed to be added; stricken-through language is proposed to be deleted).

Level 4, 5 and 6 Team Tournaments	Entry Fee to be determined at the time of sanctioning.		

9. **Electronic Line Calling (ELC).** Council heard reports on two recent ELC pilots held in NorCal. The first was at the unsanctioned Maze Cup event, which used SwingVision. The second was at the Orinda National Level 2 Tournament, which used PlayReplay. SwingVision was not received well by the participants, who quickly lost confidence in its accuracy. PlayReplay was far more well received, with survey ratings in the 8.9-9.7 range (out of 10) from 20 of the 32 participants, with a 9.22 in overall experience with the system.

Council discussed ELC generally and recommended the following for consideration by NorCal as it works to develop policies and protocols related to ELC usage:

- Start with piloting/implementation at higher Levels of Junior tournaments (3-5 vs. 6-7).
- Preference is to have all tournament courts use ELC, as opposed to some courts having it and some not.
- Permitting a higher Entry Fee for tournaments that use ELC is reasonable. NorCal should explore whether there are any avenue streams for facilities/organizers to sell data on matches to players gathered by the ELC system.
- Reasonable notice to players is needed, ideally that is tied to a required date already in the NorCal regulations. In order of preference, these are: entry open deadline, entry deadline, selection of players, posting of draws. ELC will likely be perceived as a benefit to participants and may attract more to a tournament if it is publicized early enough.
- For simplicity and consistency, Junior Council recommends NorCal use whatever protocols are established by the USTA for ELC.

Following conclusion of business, the meeting was adjourned at 8:38 pm.
